From the GSV President

Girls Sport Victoria is proud of its founding principles:

- The promotion of girls’ sport
- The provision of enhanced opportunities for participation in elite, competitive and recreational sport and physical activity
- Providing accessibility to a diverse range of programs
- The fostering of individual talents, team spirit and commitment
- The pursuit of excellence
- A commitment to the highest standards of ethical behaviour
- A commitment to the promotion of health and well-being of all our girls

For fifteen years the GSV community, represented by students, staff, coaches and GSV staff, has worked hard to live these principles in all that we do. Once again this year we have seen so many of our girls involve themselves in the wide range of opportunities presented by GSV. Weekly sport, Skills Program, Carnival, Tournaments. Year 7 Sports Expo and the Tri-State Challenge have all enabled girls to participate at an appropriate level while providing both competitive and recreational experiences. New passions and talents have been discovered; confidence and teamwork were highlighted; and personal and team goals achieved. Most importantly, we have seen our girls actively engaged in physical activity and enjoying the collegiality that exists across our schools.

This rich program of events would not be possible without the generosity of spirit and support given by our Directors of Sport, PE Teachers, coaches and the GSV staff. We also recognise the continued support our girls and our schools receive from parents and family. Our sincere thanks to each of you for your part in ensuring the continued success of GSV.

I hope you enjoy this publication as a momento of the fabulous moments and success stories of 2015. We look forward to another fulfilling year in 2016.

Linda Douglas - President Girls Sport Victoria

From the Head of Sport

Some highlights of our 2015 participation in GSV Carnival Sports were the Swimming team coming 4th in Division 2, the Cross Country team winning Division 3 and the Athletics team coming 4th at the GSV Division 2 Championships.

We have had many successes during the GSV Weekly Sport. In Term 1, both Intermediate Tennis Teams won their zones making it to finals with the B team making the grand final and finishing as runners up. In Term 2, the Intermediate A Hockey Team made the semi-finals as did the Junior C Netball Team. In term 3, our Junior B Soccer team made the semi-finals, our Inter B Badminton Team were runners up and our Inter A Volleyball Team won the premiership which is an awesome result. We are very proud of this wonderful achievement.

At Ivanhoe Girls we have a huge variety of sports for all to participate in. We have all the GSV Weekly and Carnival sports, but also a range of different and interesting sports and fitness activities that complement the GSV program. These include snowsports, aerobics, kayaking, fencing, synchronised swimming, boxing, circuit training, karate, yoga. This year we had 58 girls compete at the road cycling championships. We also had 47 girls compete at the IGGS golf tournament.

The Snowsports Team have had another successful year. At the Victorian Interschools Championships, they placed 4th in the overall Girls’ School ranking. A number of girls were selected to compete at the National School Championships where they were placed 3rd in Australia. In August, the Cross Country Skiers also won the Joey Hoppet schools trophy for the ninth year in a row and finished in first place at the Victorian Interschools Cross Country.

Aerobics has been a very popular sport once again this year with many girls committing to the early morning trainings. The team worked hard and had a lot of success at their competitions with many groups making it through to the National Schools Competition where we achieved 9 teams to be placed in the top ten. This year we have had a number of girls who have made State and National teams in activities that they participate in outside of school. These girls include: Claire Tonkin – Yr 8 (Kayaking), Georgia Hill – Yr 8 (Aerobics), Kerrilee Roy – Yr 9 (Hockey), Eve Hinchliffe – Yr 9 (Aerobics), Julia Tsutsulov – Yr 9 (Irish Dancing), Georgie Tonkin - Yr 10 (Kayaking), Jessica Handreck – Yr 10 (Surf Lifesaving), Leah Gebus – Yr 10 (Dance), Kate Conway – Yr 10 (Calisthenics), Chelsea Hughes – Yr 11 (Dance), Victoria Clifford – Yr 12 (Baseball), Chloe Tsrouhas - Year 12 (Equestrian), Stan Whittaker - Year 12 (Swimming) and Hannah McConnell – Year 12 (Kayaking). It is absolutely wonderful to hear the successes of these girls, and shows how dedicated and devoted they are to their sport.

This year we have over 400 girls participate in extra-curricular sporting programs at our school and we thank you for being part of this strong sporting culture. Thank you so much to the sport staff and coaches who work extremely hard to make the school sport program a success. Thanks to all of the staff and coaches who help make sport at our school fun and successful.

Brad Carter - Head of Sport (Carnivals) and Julie Fraser - Weekly Sport

Girls Sport Victoria provides opportunities for our most talented athletes to represent GSV and compete against other Victorian and Interstate school sporting associations. Representative opportunities currently exist for Year 9 -12 students in Cross Country, Hockey, Netball, Soccer and Water Polo.
Girls Sport Victoria recognises that skill development is an inherent part of schools’ PE and sport programs. GSV develops programs to supplement their existing programs. Our Year 7 Sports Expo coincides with Health and Physical Education Week and is one of the most fun filled events on the GSV calendar. Girls learn skills in a wide variety of sports from GSV core sports to others including Lacrosse and wheelchair sport. GSV also conducts other skills development clinics and events throughout the year in sports such as Diving, Fencing, Golf, Track Cycling, Triathlon as well as a Sports Leaders Breakfast.
